Help us to give back to our community and volunteer!!

A Little About Us:

SFCA is about giving back to the community and investing in its future by raising funds for scholarships for our local high school seniors to go to college. Students that work hard in school and work at giving back to their community by volunteering.

In order to accomplish our goals we raise funds thru our annual Spaghetti Dinner, Brewers outing and St. Francis Days concession stand.

We also believe in giving back and do this sponsoring local events like 128th Civic Dinner Dance, Citizen of the Year, Miss St. Francis, Concerts in the Park and the planting of 4th of July Flags.

Why get involved...

Join us as we work as a team to make a difference. The St. Francis Civic Association uses its strong relationship with the city to create programs to help the community in various ways. Join us, and share in the people who have a compassion for our community.

Its membership is comprised of business people, company representatives, service organizations, professional people and private citizens. All are working together to make St. Francis a better community in which to work and live.

**EVERYONE MAKES A
DIFFERENCE!**
